

## Thank you for your interest in ADTRAN® Technical Support Associate (ATSA) for Internetworking

ATSA Internetworking provides a solid understanding of basic data and internetworking concepts, plus basic operations of the ADTRAN Operating System (AOS) and NetVanta® hardware as they relate to IP routing, Ethernet switching, and network security.

### Step 1: Create an ADTRAN University Account.

- Check to see if you have an ADTRAN University Account. If not, request one. Visit [www.adtranUniversity.com/registration](http://www.adtranUniversity.com/registration)
- Ensure your training is properly tracked. Visit [www.adtranUniversity.com/systemcheck](http://www.adtranUniversity.com/systemcheck)

### Step 2: Log in to ADTRAN University. [www.adtranUniversity.com](http://www.adtranUniversity.com)

- Browse the catalog.
- Enroll in the suggested training:
  - Introduction to Internetworking
  - Introduction to ADTRAN Internetworking Solutions
- Enroll in ATSA Internetworking Exam.
- Launch the training.

### Step 3: Take the Exam.

- Launch the exam.
- Complete and submit the certification application located on the first screen of the exam.
- Pass the exam with an 85% or higher.
