

## ADTRAN Technical Solutions Professional for Internetworking (ATSP/IN) (Self-Study)

This course is designed for those students who will be designing, implementing, and supporting solutions using ADTRAN Internetworking products.

ADTRAN Technical Solutions Professional for Internetworking self-study kit provides a comprehensive, independent study method to prepare for the ATSP/Internetworking certification exam.

After the completion of the course, the student should be able to install and maintain the ADTRAN NetVanta Internetworking products.

**To enroll, go to [www.adtranuniversity.com](http://www.adtranuniversity.com).**
